This story is based on characters and situations created and owned by JK Rowling, various publishers including but not limited to Bloomsbury Books, Scholastic Books and Raincoast Books, and Warner Bros., Inc. No money is being made and no copyright or trademark infringement is intended. THIS NOVEL HAS BEEN SOLEY WRITTEN FOR THE PURPOSE OF PERSONAL FULFILLMENT.

I dedicate this Fan Fiction Harry Potter book to my late step-father and mentor, Richard K., who never allowed me forget my talents, always encouraged me to share them, and forever counseled me with a swift kick in the arse should I not use them properly. Here's to you, Pop. I miss you.

A very special thank you to J.K. Rowling for lending me the ultimate creative vehicle in which I've used to set my written talents and inspirations into motion.

Last and Certainly NOT least, a BIG thanks to my Mum, for your encouragement and support, as well as your sensational efforts in the editing process of my very first novel. I'll make a Harry Potter fan out of you yet!
